Week of April 21st Room 204

This last week we had a great time revisiting the old Nursery rhyme, Humpty Dumpty. We are currently working on writing our own newspaper article about what happened to the egg named Little Lumpty. In addition, we have been presenting the animal reports. They are really amazing! The students are so excited to tell about their animals. In math, we have learned more about place value.

Ask Me About:

- Little Lumpty- did he fall?
What happened?
- One-dollar exchange game
- What does my pen pal look like? (Mrs. Loye got to visit them over spring break!)
- What does it mean when someone is a good egg?
